NONPROFIT COMMERCIAL LENDING

One PacificCoast Bank has the experience and expertise to help your organization expand its impact on the community.

TERM LOANS

We offer several ways to help your organization meet its long-term goals. Our term loans may be used to finance equipment, capital expenditures, tenant improvements, and other projects.

LINES OF CREDIT

We offer two ways for your nonprofit to take advantage of short-term opportunities as they arise. Our revolving lines of credit let your organization finance short-term working capital needs. Our non-revolving lines of credit lets your organization borrow funds disbursed over a period of time; once the project is complete, the line converts to a term loan.

COMMERCIAL MORTGAGES

We offer tailored financing for all types of commercial properties. Ask us for details.
